The Calvert County Department of Social Services Advisory Board met on Wednesday, January 17th, 2018 at the Calvert County Department of Social Services. In attendance were Chair, Karen Lane, Chris Cummings, Jennifer Hillman, Dennis Helie, Katharine Knight, Melissa Carter, and Amye Scrivener.

The meeting was called to order. The minutes from the November 2017 meeting were approved. No meeting was held in December 2017.

**Director’s Report**

- There has been some exploration into how donations are processed currently with SSAB and CCDSS and if SSAB needs to have their own 501(c)(3) apart from MAASB. After gathering information on how other counties process their donations, no changes need to be made as adequate fiscal processing and documentation is sufficient and outlined in state guidelines.

- There is still some discussion on how the Office on Aging Adult Service position will be handled beginning FY2019, Amye will reach out to Jennifer Moreland, who was not in attendance, next for additional input and update the board on any coming changes. Recently, Maura Viskoski who was an Adult Protective service worker has been promoted to the Adult Supervisor position which will open a vacancy in the position she was holding.

- Homeless Coordination of Care Program - HUD has given direction that DSS will manage the point of entry for rapid re-housing programs and supportive programs for homeless shelters by region for a 4-6 month trial period, eliminating the ability for homeless people to access shelters and other programs directly. This will significantly increase the traffic for our agency however, the goal is that all of the shelters and programs will be streamlined into one system making it easier to access services.

**Assistant Directors Report – Child Support Enforcement Presentation**

- Michelle Armsworthy, acting Assistant Director for Child Support was introduced to the meeting and gave a presentation outlining the how the department functions and its current figures. Please refer to attached presentation.

**MASSB Foundation 2017 End of Year Report**

- Chris Cummings, presented the expenses for programs in 2017 and the end of year report. Please see both reports attached.

The Advisory Board meeting adjourned and CFA continued with their meeting.

The next meeting will be on February 21, 2018 at 8:00 am at the Calvert County department of Social Services.

“Calvert Family Advocates”
2017 Year End Report

2017 was a year of continued growth for Calvert Family Advocates due to the extraordinary generosity of county residents and business owners. $110,000 was raised through donations and fundraisers. This income supported the continuation of current programs and the development of a new program for a Child Advocacy Center.

Safety

15 families remained in their homes when financial assistance was provided to pay utilities or rental arrearages that threatened eviction. Calvert Family Advocates paid for emergency dental surgery for a developmentally disabled man and sponsored the renovation of 6 homes for low-income elderly and disabled persons by the non-profit, Christmas in April.

Self-Sufficiency

2 young women received childcare assistance through the childcare grant program for low-income students attending the community college; and 5 individuals received educational assistance. A generous corporate donation supported the purchase of 5 certified pre-owned cars, resulting in improved employment opportunities and family connections for the recipients. Other self-sufficiency needs were supported including vehicle maintenance, driver’s education, and the transport of low-income veterans to medical appointments.

Eldercare

Financial support was provided for 10 elderly individuals. Calvert Family Advocates contributed to the cost of replacing 2 well pumps and an oil tank; purchased hearing aids and a locator bracelet; and assisted with medical and dental bills.
Youth

Calvert Family Advocates provided a grant to the Calvert County Public Schools (CCPS) that provided 41 homeless and low-income children the opportunity to attend a two-week summer day camp or participate in sports programs. Additionally a grant was provided to CCPS to purchase new clothing for 54 homeless and low-income youth.

End-of-Year Donation

An end-of-year donation of $100,000 from an anonymous Calvert County business will support the opening of a Child Advocacy Center in Calvert County, and provide needed resources to 2 adult day care programs.
