Old Business

- Annual Report – Dawn Shonkwiler advised that the first draft of the report was not available, so a new draft was created. She shared her screen with the rest of the ASAB and various items on the draft were discussed. Dawn Shonkwiler will work on an updated draft to be sent to the clerk and be distributed to the ASAB for review and discussion at the next meeting. After discussion of the strategic plan in the next old business item, the focus shifted back to the annual report for discussion of the due date of the strategic plan. A motion was made by Crystal Dowd to remove the due date for now (the last sentence in the report) until the ASAB has a better idea of a completion date. The motion was seconded by Elizabeth Ashley and carried unanimously by all members in attendance.
- Five Year Strategic Plan – Elizabeth Ashley and Sue Delegan relayed information about the firms that were contacted, and the information obtained. The clerk advised that she met with a member of Parks and Recreation, who did their own plan. Crystal Dowd advised that in addition to including employees and board members in devising the plan, she would also like to include the animal welfare supporters as well. Elizabeth Ashley spoke of two groups that she contacted and provided details on each one. Dawn Shonkwiler suggested contacting CSM regarding a business strategy class, possibly to prepare to work with a strategic planning vendor. Sue Delegan discussed her interaction with Maryland Non-Profit and provided details of their process. In addition, more information will be gathered to see if we can participate with the non-profit group. Maryl
Elizabeth Ashley advised that she knew someone who worked as a strategic director in non-profit for many years, who may be qualified to assist us with our strategic plan. Crystal Dowd asked that any documents or proposals be forwarded to her for review.
