Enterprise GIS Upgrade to Bring Enhanced Features

Prince Frederick, Md. – **June 6, 2024** – The Calvert County Department of Technology Services advises residents the county's Geographic Information System (GIS) is scheduled for an upgrade on Friday, June 7, beginning at 4:30 p.m. The upgrade period is expected to last for two days; during this time, GIS maps will be unavailable. The upgraded GIS is expected to be accessible again by Monday, June 10, at 7 a.m. Public Safety services will be unaffected by the outage.

The GIS upgrade will provide enhanced features and improved performance to include:

- Faster application performance and response times
- Improved data visualization and analysis features
- Enhanced security measures to protect data
- Staff-focused Enterprise GIS website
- Additional mapping applications

The Department of Technology Services appreciates your patience and understanding while the GIS is upgraded. The scheduled upgrade and downtime were planned to minimize impact on daily operations.
