Jennifer Moreland Named Director of Community Resources

PRINCE FREDERICK, Md. – May 19, 2017 – The Calvert County Board of County Commissioners (BOCC) is pleased to announce the promotion of Jennifer Moreland to director of the Calvert County Department of Community Resources. She will replace Maureen Hoffman upon her June 2017 retirement after 15 years of service.

“Maureen leaves big shoes to fill,” said board President Tom Hejl. “But I am confident Jennifer will continue and build upon Maureen’s outstanding commitment to the health and human services issues facing our county’s most vulnerable citizens.”

“I am passionate about the well-being of people in the community,” shared Moreland. “With my background in collaboration and data-driven planning, I look forward to working with the Board of County Commissioners, county department heads and the community to gain insight on the successes and challenges they face in their work on behalf of our citizens.”

Moreland has been the Calvert County Department of Community Resources Family Network Coordinator for the past two years. In her current role, she manages multiple state grants and secures funding for social programs that improve the well-being of children, youth and families in Calvert County. Before joining Calvert County Government, Moreland was with the United Way of Calvert County where she served as director of community impact and the ‘Success by 6’ coordinator. She earned a bachelor’s degree in Mass Communication and Communication Studies from Towson University. Her promotion will take effect June 1.

###

Calvert County is Maryland’s smallest county in land area with 213 square miles. It is home to nearly 91,000 people and has one of the highest standards of living in Maryland. Major industries include defense contracting, information technology, tourism, energy, advanced manufacturing and administrative services.
