- This permit application and all required information must be submitted to the Inspections & Permits Division for review by all applicable County agencies; incomplete packages and/or unsigned applications will result in processing delays.
 - After issuance of a grading permit, inspections shall be requested by calling the Inspections & Permits Division at least 24 hours in advance to inspect work completed in accordance with the approved sediment and erosion control plan for this site. Inspections must be requested by 3:00 p.m. in order to be scheduled for the following day. The Maryland Department of the Environment Inspector may also need to be contacted.
 - Required inspections shall include, but are not limited to: (1) upon completion of installation of perimeter sediment and erosion controls and (2) upon final stabilization of all disturbed areas before removal of controls.
 - The permit must be posted conspicuously at the front of the lot. Permits expire 2 years after issuance unless the project is under continuous construction.

I hereby certify that I have read and understood the above requirements; and I have the authority to make this application, the information given is correct, and the construction and installation of erosion and sediment control measures shall be in accordance with the Erosion and Sediment Control Ordinance of Calvert County, and the latest version of Maryland Standard and Specifications for Soil Erosion and Sediment Control.
