- This permit application and all required information must be submitted to the Inspections & Permits Division for review by all applicable County agencies; incomplete packages and/or unsigned application forms will result in processing delays.
- After issuance of a building permit, inspections shall be requested by calling the Inspections & Permits Division at least 24 hours in advance. Inspections must be requested by 3:00 p.m. in order to be scheduled for the following day.
Required inspections shall include, but are not limited to: (1) before footings or slabs are poured, and (5) upon completion of the sign
- The permit must be posted conspicuously at the front of the lot. Permits expire 6 months after issuance unless the project is under continuous construction.

I hereby certify that I have read and understood the above requirements; and I have the authority to make this application, the information given is correct, and the use and construction shall conform to the County Health Regulations, the Building Code and Zoning Ordinances, and private deed restrictions, if any, which are imposed on the property.
