## COVID-19 CITIZEN UPDATE

### Calvert County Board of County Commissioners Coronavirus Disease (COVID-19) Citizen Update

Memorial Day, though a time when we pause to consider the price of freedom and remember the fallen, is typically a time when we gather with friends and family. This year, we exchange our backyard barbecues with neighbors for socially distant gatherings of 10 people or less. We couple our sunglasses and hats with face masks and gloves. The Calvert County Board of County Commissioners (BOCC) recognizes this upcoming Memorial Day weekend will be different than any other in our lifetime.

As a reminder, Maryland is still in a Safer at Home public health advisory even though we have moved into Stage One of the Maryland Strong: Roadmap to Recovery. Many Maryland counties did not advance to Stage One. This weekend, the BOCC reminds residents to avoid crowds and continue to follow social distancing guidelines. It's been a challenging time for all of us, but one action could possibly lead to detrimental impacts on your friends or family. Be safe and stay well.

Please see below for the latest updates from your Board:
