- **Vigil** – Provide support to veteran patients and their families during the final days and hours of life.
- **Honor Salute** – Pay respect to our valued veteran patients in a unique way. Join service members to honor veterans for their service in the military.
- **Vet to Vet** – This program matches experienced veteran patient care volunteers with veterans in hospice care. The pairing creates a bond based on a shared understanding of military experience. Sometimes these conversations are the last opportunity for a veteran to feel their service was not in vain.
- **Patriotic Quilts** – Craft patriotic quilts for inclusion in the Honor Salute Kits.
