The Department reserves the right to cancel all reservations providing as much notice as possible. Reservations cancelled by the Department will receive a full refund unless the cancellation is due to a violation of policy such as non-payment of balance.

It is to be understood that the reservation date or program dates listed on a permit is strictly for the dates listed on the permit. Refunds will not be approved due to poor weather conditions, unless the County closes the program, park or facility due to inclement weather or other emergency.

All refund and date transfer requests must be submitted in writing, by fax, or via e-mail to the Department and be accompanied by a copy of the paid receipt unless otherwise noted. The prevailing administrative fee will be applied to all refund or transfer requests. Refund requests do not automatically mean approval of a refund. If payment was made by check or cash, then approved refund requests will be received in the form of a County-issued check in approximately six (6) to eight (8) weeks unless otherwise noted. Credit card refunds will be processed within five (5) business days. The prevailing cancellation/date transfer/refund fee will be applied to all cancellation/transfer requests. In lieu of a refund, the Department may offer the participant a program credit. The credit may be applied toward the cost of any future recreation program registration, facility rental or activity. No administrative service charges will be deducted when a credit is accepted by the participant. Credit would expire one (1) year from date of issuance.
