The Calvert County Local Behavioral Health Authority (LBHA) is responsible for managing the Public Behavioral Health System (PBHS) in Calvert County. The agency was created in July 2019 by integrating the local Core Service Agency (CSA) and Local Addictions Authority (LAA).

Our Mission
To ensure all Calvert County Residents have access to quality Behavioral Health Services.

Our Vision
To cultivate a comprehensive system of Behavioral Health care in Calvert County, which provides individualized services to promote wellness, empowerment and recovery across the lifespan of our residents.

Resources for Young Children and Families
