RESOLUTION NO. 11-13

PROVIDING FOR THE ISSUANCE AND SALE OF UP TO \$33,000,000 OF THE COUNTY'S GENERAL OBLIGATION BONDS AND PROVIDING FOR THE DISBURSEMENT OF THE PROCEEDS OF THE BONDS, FOR THE LEVYING OF *AD VALOREM* TAXES FOR PAYMENT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS, AND FOR RELATED MATTERS

RECITALS

County Commissioners of Calvert County (the "County") is a body politic and corporate and a political subdivision duly formed and existing under the Constitution and the Laws of the State of Maryland.

Pursuant to Chapter 597 of the Laws of Maryland of 2007, Chapter 381 of the Laws of Maryland of 2009, Chapter 135 of the Laws of Maryland of 2010, and Chapter 150 of the Laws of Maryland of 2011 (the "Bond Enabling Acts"), the County is authorized to pledge its full faith and credit and issue and sell its bonds in the aggregate principal amount of \$6,595,000 for the purpose of: (a) paying all or a portion of the costs associated with the acquisition, alteration, construction, reconstruction, enlargement, equipping, expansion, extension, improvement, rehabilitation, renovation, upgrading, repair and development of: (1) Calvert High School; (2) the Calvert Marine Museum; (3) the East Prince Frederick well and water tower; (4) the Paris Oaks pump station; (5) the Solomons wastewater treatment plant upgrade; (6) the Solomons force main upgrade; (7) the Stafford waterline extension, (8) the Prince Frederick loop road; (9) Skipjack Road; and (10) the Chesapeake Hills Golf Course irrigation system (collectively, the "Projects"); and (b) paying costs, fees and expenses, including (without limitation) advertising, printing, financial advisory and legal fees incurred in the issuance and sale of any such bonds (the "Bond Issuance Costs"), the amount so borrowed to be used for no other purpose whatsoever except as expressly provided herein or as authorized by the Board of County Commissioners of Calvert County (the "Board"), and to assess and levy, in each year, so long as any of such bonds are outstanding and unpaid, an ad valorem tax on all property subject to taxation within Calvert County sufficient in rate and amount, together with other moneys available therefor, to pay the interest payable in that year on all outstanding bonds and the principal of all bonds maturing in that year.

Pursuant to Section 24 of Article 31 of the Annotated Code of Maryland (the "Refunding Act" and, together with the Bond Enabling Acts, the "Acts"), the County may issue bonds for the purpose of refunding any of its bonds then outstanding, including the payment of any redemption premium and any interest accrued or to accrue to the date of redemption, purchase or maturity of such bonds, for the purpose of realizing savings in the aggregate cost of debt service on either a direct comparison or present value basis.

Davenport & Company LLC, the County's financial advisor (the "Financial Advisor"), has advised the County that the County may be able to realize savings in the aggregate cost of debt service on (1) its Consolidated Public Improvement and Refunding Bonds, 2003 Series, maturing in 2014 through 2019, inclusive (the "2003 Bonds"), (2) its Consolidated Public Improvement Bonds, 2007 Series, maturing in 2018 through 2022, inclusive (the "2007 Bonds") and (3) its Consolidated Public Improvement Bonds, 2008 Series, maturing in 2020 through 2023, inclusive (the "2008 Bonds" and, together with the 2003 Bonds and the 2007 Bonds, the "Prior Bonds"), if

refunding bonds are issued to refund all or a portion of the Prior Bonds. Based on the foregoing advice, the Board of County Commissioners of Calvert County (the "Board") has determined that it is in the best interest of the County to issue its general obligation refunding bonds in the aggregate principal amount not to exceed \$26,405,000, subject to adjustment as provided herein, to refund the Prior Bonds in whole or in part, including the payment of any redemption premium and the interest accrued or to accrue thereon to the applicable redemption date, and to pay costs, fees and expenses, including (without limitation) advertising, printing, financial advisory and legal fees incurred in the issuance and sale of any such bonds (the "Bond Issuance Costs").

Pursuant to Section 2C of Article 31 of the Annotated Code of Maryland, as amended, the issues of bonds authorized by the Acts, or portions thereof, may be consolidated with one another, and the County has determined that it is in the best interest of the County to consolidate the issues of bonds authorized by the Acts.

Pursuant to the Acts, the Board desires: (a) to provide by this resolution for the issuance of the County's general obligation bonds in the aggregate principal amount not to exceed \$33,000,000, subject to adjustment as provided herein, for the above-stated purposes; (b) to provide for other matters in reference thereto; (c) to prescribe the manner of the sale of such bonds and the terms and conditions under which they shall be offered for sale; (d) to prescribe the form and maturities of such bonds; (e) to provide for the use of the proceeds of the sale of such bonds; (f) to provide for the payment of the principal of and interest on such bonds as such bonds shall respectively mature, by levying taxes to pay for the same; and (g) to provide for and determine various matters in connection therewith.

In addition, in order to enable the bidders for such bonds to comply with the requirements of paragraph (b)(5) of Securities and Exchange Commission Rule 15c2-12, it is necessary that the County enter into a contract to provide certain continuing disclosure information as required by that rule.

The Board desires that certain additional matters concerning such bonds, including, but not limited to: (a) providing for the aggregate principal amount of bonds to be issued, the amount of such bonds maturing in each year, and the Prior Bonds to be refunded; (b) providing for a change in the date or time of sale of such bonds; (c) providing for the acceptance by the County of bids received for such bonds; (d) fixing the interest rate or rates payable on such bonds; (e) ratifying the Preliminary Official Statement of the County prepared and distributed in connection with the issuance and sale of such bonds; (f) providing for changes to the form of such bonds and the Continuing Disclosure Agreement (hereinafter defined) approved pursuant to this Resolution; (g) approving the Official Statement of the County prepared in connection with the issuance and sale of such bonds; and (h) authorizing the execution, issuance and distribution of such Official Statement, be provided by and through one or more resolutions administrative in nature and supplemental hereto (each, a "Supplemental Resolution").

NOW, THEREFORE, in accordance with the Acts:

SECTION 1. BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That all terms used herein which are defined in the Recitals hereof or the Exhibits hereto shall have the meanings given such terms therein.

SECTION 2. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That it is hereby found, determined and declared as follows:

(a) Each of the Projects constitutes a “public facility” within the meaning of the Bond Enabling Acts.

(b) The acquisition, alteration, construction, reconstruction, enlargement, equipping, expansion, extension, improvement, rehabilitation, renovation, upgrading, repair and development of the Projects is in the public interest of the citizens of Calvert County and necessary to protect the general health and welfare of the residents of Calvert County.

(c) The refunding of all or a portion of the Prior Bonds will further the purposes of the Refunding Act by allowing the County to realize savings in the aggregate cost of debt service, either on a direct comparison or present value basis.

SECTION 3. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That: (a) pursuant to the authority of the Acts, the County shall borrow upon the full faith and credit of the County and shall issue and sell upon the full faith and credit of the County, at any time after the adoption of this Resolution, its general obligation bonds in fully registered form in an aggregate principal amount not to exceed Thirty Three Million Dollars (\$33,000,000), subject to adjustment as provided herein, such bonds to be designated as “County Commissioners of Calvert County Consolidated Public Improvement and Refunding Bonds, 2013 Series” (the “Bonds”).

The Bonds are hereby consolidated for sale, issuance and delivery as a single issue of bonds pursuant to the authority of Section 2C of Article 31 of the Annotated Code of Maryland (2010 Replacement Volume). The net proceeds of the sale of the Bonds shall be used to contribute to financing the costs of the Projects, refunding the Prior Bonds in whole or in part and paying Bond Issuance Costs, all as provided by, and without in any way limiting the provisions of, the Acts.

Notwithstanding the foregoing provisions of this Resolution, the Bonds may be issued in one or more series, from time to time, as the Director of Finance and Budget of the County (the “Director of Finance”) may deem appropriate upon the advice of the Financial Advisor and bond counsel employed by the County. In such event, the terms of such series of bonds, the method of sale thereof and all other matters regarding the sale, issuance and delivery of such series of bonds shall be determined by supplemental resolution of the Board.

(b) The Bonds shall be dated their date of initial delivery, shall be issued in book-entry form by issuing a single bond for each maturity of the Bonds registered in the name of Cede & Co., as nominee for The Depository Trust Company or its successor (“DTC”) (provided that if DTC so requests or if DTC is replaced as the depository for the Bonds, replacement bonds shall be issued in denominations of \$5,000 each or any integral multiple thereof), and shall be consecutively numbered in such manner as shall be determined by the Bond Registrar (as defined herein).

(c) That the Bonds shall mature on the first day of April in consecutive annual principal installments, in the years set forth in Exhibit A hereto, subject to adjustment as provided herein.

(d) The Bonds shall bear interest at the rate or rates named by the successful bidder for the Bonds under the terms of the Notice of Sale, the form of which is set forth in Exhibit D attached to this Resolution (the “Notice of Sale”), and such interest shall be payable on October

1, 2013, and semiannually thereafter on April 1 and October 1, until and including the date of maturity or earlier redemption.

(e) The principal of the Bonds will be payable at the designated office of the Bond Registrar, upon presentation and surrender of the Bonds. Payment of interest on the Bonds shall be made by the Bond Registrar on each interest payment date to the person appearing on the registration books of the County maintained by the Bond Registrar as the registered owner thereof, by check or draft mailed to each such registered owner at the address appearing on such registration books on the record date for the Bonds, which shall be the fifteenth day of the month next preceding each interest payment date. Notwithstanding the foregoing, while the Bonds are registered under a book-entry only system, payment of the principal of and interest on the Bonds shall be made by the Bond Registrar to the Depository (hereinafter defined) or its nominee in accordance with the procedures of the Depository. Each Bond shall bear interest from the interest payment date next preceding the date of registration and authentication of such Bond, unless such Bond is registered and authenticated on an interest payment date, in which case it shall bear interest from such interest payment date, or, unless authenticated prior to the first interest payment date, in which case it shall bear interest from its dated date, or unless, as shown by the records of the Bond Registrar, interest on such Bond shall be in default, in which event such Bond shall bear interest from the date to which interest was last paid on such Bond.

(f) The Bonds shall be issued without coupons, in substantially the form attached hereto as Exhibit B and made a part hereof, and shall be completed in accordance with the provisions of this Resolution, with such changes to such form of the Bonds as the President of the Board shall approve (such approval to be conclusively evidenced by the execution and delivery of the Bonds by the President of the Board), which form, together with all of the covenants and conditions therein contained, is hereby adopted by the County as and for the form and tenor of obligations to be incurred by the County, and such covenants and conditions are hereby made binding upon the County, including the promise to pay therein contained.

(g) The Bonds shall be executed on behalf of the County by the President of the Board by his manual or facsimile signature, and countersigned by the Treasurer, by her manual or facsimile signature, and shall bear a facsimile of the corporate seal of the County attested by the manual or facsimile signature of the Clerk to the Board. In the event that any official whose signature shall appear on the Bonds shall cease to be such official prior to the delivery of the Bonds, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such official had remained in office until delivery. The President of the Board, the Treasurer and the Clerk to the Board, by the execution of appropriate signature certificates, shall adopt, as and for their own proper signatures, their respective facsimile signatures on the Bonds if facsimile signatures are used.

SECTION 4. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That certain of the Bonds shall be subject to redemption prior to maturity as follows:

(a) The Bonds maturing on or before April 1, 2023 shall not be subject to redemption prior to their stated maturities. The Bonds maturing on or after April 1, 2024, shall each be subject to redemption prior to their respective maturities, at the option of the County, at any time on or after April 1, 2023, either as a whole or in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption at the rate or rates stated in the Bonds to be redeemed.

(b) The Bonds shall be redeemed only in integral multiples of \$5,000. If less than all of the outstanding Bonds shall be called for redemption, the County shall choose the maturities of the Bonds to be redeemed and the principal amount of each such maturity to be redeemed in its sole discretion. If less than all of the Bonds of any one maturity shall be called for redemption, then the particular Bonds of such maturity to be redeemed shall be chosen by lot by the Bond Registrar in such manner as, in its discretion, it shall determine, except that so long as DTC or its nominee is the sole registered owner of the Bonds, the particular Bonds or portion to be redeemed shall be selected by DTC in such manner as DTC shall determine. Each \$5,000 portion of a Bond shall be treated as a separate Bond in the selection by lot of Bonds to be redeemed.

(c) If the County shall elect to redeem all or a portion of the Bonds, it shall deliver a redemption notice to the Depository (hereinafter defined) not less than 30 days prior to the date fixed for redemption (the "Redemption Date") (or such fewer number of days as shall be acceptable to the Depository) by a secure means in accordance with the Depository's applicable operational arrangements. If the book-entry system is discontinued for the Bonds, the County shall give a redemption notice by letter mailed first class, postage prepaid, to the registered owners of the Bonds to be redeemed at their last addresses appearing on the registration books maintained by the Bond Registrar not less than 30 days prior to the Redemption Date. Failure to deliver or mail any such notice with respect to a particular Bond or any defect in such notice, or in the delivery or mailing thereof, shall not affect the validity of the redemption proceedings. Such notice shall specify the issue, numbers and maturities of the Bonds to be redeemed, the Redemption Date and the redemption price, any conditions to such redemption, and shall further state that on such date the Bonds called for redemption will be due and become payable at the designated office of the Bond Registrar and that, from and after such date, interest thereon shall cease to accrue. If for whatever reason it is impossible or impractical to mail such notice of redemption, then the Bond Registrar shall give notice of the call for any redemption by publication at least once in a newspaper of general circulation in the Borough of Manhattan, City and State of New York, or a financial journal of general circulation in the Borough of Manhattan, City and State of New York, and at least once in a daily newspaper of general circulation in the City of Baltimore, Maryland, which notice shall be published at least 30 days prior to the Redemption Date. In the event notice is published as provided above, the mailing of the notice to such registered owners of the Bonds to be redeemed shall not be a condition precedent to redemption, and the failure so to mail any such notice to any of such registered owners shall not affect the validity of the proceedings for the redemption of the Bonds.

(d) On the Redemption Date, moneys for the payment of the redemption price plus accrued interest being held by the Bond Registrar and any other conditions to such redemption having been met, the Bonds so called for redemption shall become due and payable at the redemption price provided for redemption of such Bonds on such date, interest on such Bonds so called for redemption shall cease to accrue, and the registered owners of such Bonds so called for redemption shall have no rights in respect thereto except to receive payment of the redemption price thereof, plus accrued interest thereon to the Redemption Date from such moneys held by the Bond Registrar.

(e) If it is determined that a portion, but not all, of the principal amount represented by any Bond is to be called for redemption, the registered owner of such Bond shall forthwith surrender such Bond to the Bond Registrar: (i) for payment of the redemption price (including interest to the Redemption Date) of the portion of the principal amount thereof called for redemption; and (ii) in exchange for a new Bond of the unredeemed balance of the principal amount of such Bond, and having the same form and tenor as such Bond; provided, however, that, if and so long as Cede & Co. is the registered owner of all of the Bonds, DTC may make an

appropriate notation on the applicable Bonds indicating the date and amounts of such reduction in principal and notify the County in writing of such action. If the Bonds are required to be surrendered to the Bond Registrar, new Bonds representing the unredeemed balance of the principal amount of such Bond shall be issued to the registered owner thereof without charge therefor. If the registered owner of any such Bond shall fail to present such Bond to the Bond Registrar for payment and exchange as aforesaid, such Bond shall nevertheless become due and payable on the date fixed for redemption to the extent of the portion of the principal amount called for redemption (and to that extent only). Interest shall cease to accrue on the portion of the principal amount of such Bond called for redemption on and after the Redemption Date, and no new Bonds shall be thereafter issued corresponding to such portion.

SECTION 5. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That: (a) the proceeds of sale of the Bonds in the amount of \$6,595,000, plus any allocable premium, shall be paid to the Treasurer and shall be placed in the County's Capital Improvement Fund by the Treasurer and designated to various subaccounts for purposes of paying: (i) all or a portion of the costs associated with the acquisition, alteration, construction, reconstruction, enlargement, equipping, expansion, extension, improvement, rehabilitation, renovation, upgrading, repair and development, as applicable, of the Projects; and (ii) Bond Issuance Costs.

(b) From such proceeds, the Director of Finance and Budget (the "Director of Finance") shall pay all Bond Issuance Costs, and the balance shall be disbursed by the Director of Finance and used for paying the costs of the Projects. Until needed for such purposes, such proceeds may be invested or reinvested by the Director of Finance in accordance with Section 22 of Article 95 of the Annotated Code of Maryland; provided that the investment by the County of such proceeds shall be subject to all of the provisions of Section 13 of this Resolution.

(c) Any proceeds remaining unused or unreserved for the purposes described in subparagraph (b) above shall, in the discretion of the Board, be applied to pay principal on the Bonds, except as otherwise may be provided by the Board pursuant to a resolution adopted by the Board.

(d) The remaining proceeds of the sale of the Bonds shall be paid over to Manufacturers and Traders Trust Company, to be held, administered, and disbursed by it in its capacity as Escrow Deposit Agent (the "Escrow Deposit Agent") under an Escrow Deposit Agreement (the "Escrow Deposit Agreement"). The President is hereby authorized to execute the Escrow Deposit Agreement on behalf of the County concurrently with the closing for the Bonds, in such form and containing such provisions as the President deems necessary and appropriate (as evidenced by his execution and delivery of the Escrow Deposit Agreement). The amount paid to the Escrow Deposit Agent pursuant to this paragraph shall be paid to the Escrow Deposit Agent in Federal funds or other immediately available funds and shall be used and applied solely in accordance with the terms of the Escrow Deposit Agreement.

SECTION 6. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the payment of interest on the Bonds when due and the principal of the Bonds at maturity shall be backed by the full faith and credit of the County.

SECTION 7. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That: (a) the President of the Board is hereby authorized to make such modifications to the form of the Bonds as may be appropriate to conform

to any standard specifications for registered municipal securities which may be promulgated by any body generally recognized in the municipal securities industry (including, without limitation, the American National Standards Institute) in order to facilitate computer or other mechanical processing methods for registration of municipal bonds.

(b) The President of the Board shall also initiate a system for registration of the Bonds in book-entry form and is hereby authorized to enter into such agreements and to make such modifications to the form of the Bonds (as set forth in Exhibit B hereto) and the form of the Notice of Sale (as set forth in Exhibit D hereto) as may be necessary to provide for registration of the Bonds in book-entry form, with DTC.

(c) The President of the Board may replace any depository for the Bonds pursuant to a book-entry registration system established in accordance with this Section if the President of the Board determines that such depository is incapable of discharging its duties with respect to the Bonds, or that the interest of the beneficial owners of the Bonds might be adversely affected by the continuation of such book-entry system. Notice of such determination shall be given to such depository not less than 30 days prior to any such determination or such fewer number of days as may be acceptable to such depository.

Thereafter, the President of the Board may issue replacement Bonds to a substitute securities depository, to participants of a securities depository to be replaced or to beneficial owners of the Bonds properly identified by such participants.

(d) When the President of the Board initiates a book-entry registration system to be maintained by DTC or replaces DTC with another municipal securities depository (either a "Depository"), the President of the Board shall execute and deliver to the Depository any representation letters as shall be deemed necessary or appropriate by the President of the Board or other agreements then required by the Depository in order to qualify the Bonds for registration in book-entry form by the Depository. The President of the Board is hereby authorized to agree to any different manner for the payment of interest or principal or any different procedures for the redemption of bonds which is determined in accordance with any representation letters entered into with any Depository. Transfer or crediting of the appropriate principal and interest to the participants in the Depository will be the responsibility of the Depository, and transfer and crediting of principal and interest payments to the beneficial owners of the Bonds or their nominees will be the responsibility of the participants in the Depository. Transfers of beneficial ownership of the Bonds will be effected on the records of the Depository (and its participants) pursuant to rules and procedures established by the Depository.

(e) Any securities depository selected in accordance with this Resolution and each of its participants and the beneficial owners of the Bonds, by their acceptance of the Bonds, shall agree that the County and its officers and employees shall have no liability for the failure of any such securities depository which may be selected as herein provided to perform its obligations to the participants and the beneficial owners of the Bonds, and neither the County nor any of its officers or employees shall be liable for the failure of any participant or other nominee of the beneficial owners to perform any obligation the participant may incur to a beneficial owner of the Bonds.

SECTION 8. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the Bonds shall be authenticated and shall be subject to registration, exchange and transfer as follows:

(a) No Bond shall be valid or obligatory for any purpose unless and until the certificate of authentication substantially in the form set forth in Exhibit B hereto shall have been duly executed by the Bond Registrar, and such executed certificate of the Bond Registrar upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered pursuant to this Resolution. The Bond Registrar's certificate of authentication on any Bond shall be deemed to have been executed by it if manually signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same person sign the certificate of authentication on all of the Bonds issued hereunder.

(b) Upon presentation of any Bond for such purpose at the designated office of the Bond Registrar, the Bond Registrar shall register or cause to be registered therein, and permit to be transferred thereon, under such reasonable regulations as the County or the Bond Registrar may prescribe, any Bond entitled to registration or transfer. So long as any of the Bonds remain outstanding, the County shall cooperate in making all necessary provisions to permit the exchange of Bonds at the designated office of the Bond Registrar.

Each Bond shall be transferable only upon the books of the County maintained by the Bond Registrar, at the written request of the registered owner thereof or his attorney duly authorized in writing, upon surrender thereof, together with a written instrument of transfer satisfactory to the Bond Registrar duly executed by the registered owner or his attorney duly authorized in writing. Upon the surrender for transfer of any Bond, the County shall issue, and the Bond Registrar shall authenticate, in the name of the transferee, in authorized denominations, a new Bond or Bonds of the same aggregate principal amount as the surrendered Bond.

The County and the Bond Registrar may deem and treat the person in whose name any Bond shall be registered upon the books of the County as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of and premium, if any, and interest on such Bond and for all other purposes, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the County nor the Bond Registrar shall be affected by any notice to the contrary.

Bonds, upon surrender thereof at the designated office of the Bond Registrar with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or his duly authorized attorney, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of Bonds of any other authorized denominations.

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the County shall execute and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall forthwith be cancelled by the Bond Registrar. For every such exchange or transfer of Bonds, the County or the Bond Registrar shall make a charge for any tax or other governmental charge required to be paid with respect to such exchange or transfer. Such charge shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Bond Registrar shall not be obligated to make any such exchange or transfer of Bonds after the fifteenth day of the month next preceding an interest payment date on the Bonds, or in case of any proposed redemption of the Bonds, during the 15 days next preceding the date of the mailing of notice of such redemption. The Bond Registrar shall not be required to make any transfer or exchange of any bonds called for redemption.

(c) In the event any Bond is mutilated, lost, stolen or destroyed, the County may execute and the Bond Registrar may authenticate a new Bond of like date, maturity, interest rate and denomination as that of the Bond mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Bond Registrar, and in the case of any lost, stolen or destroyed Bond there shall be first furnished to the County and the Bond Registrar evidence of such loss, theft or destruction satisfactory to the County and the Bond Registrar, together with indemnity satisfactory to them. In the event any such Bond shall be about to mature or have matured or been called for redemption, instead of issuing a duplicate Bond, the Bond Registrar may pay the same without surrender thereof. The County and the Bond Registrar may charge the registered owner of such Bond their expenses and reasonable fees, if any, in this connection.

SECTION 9. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the advertisement and public sale of the Bonds shall be as follows:

(a) The Bonds shall be sold at public sale upon submission of electronic bids using the *PARITY*® bidding system (“*PARITY*®”) to the bidder therefor whose bid provides the lowest true interest cost to the County, for cash at not less than par, after public notice by advertisement is published at least once in one or more daily or weekly newspapers having a general circulation in Calvert County, provided that the sale shall be held not sooner than 10 days following the first insertion of said advertisement. The advertisement of sale or the Notice of Sale described below may also be published in such financial journals and at such times as the President of the Board may deem appropriate. The advertisement of sale shall be substantially in the form attached hereto as Exhibit C and made a part hereof, with such changes therein as the President of the Board shall approve or as may be approved by Supplemental Resolution.

(b) The official Notice of Sale for the Bonds shall be substantially in the form attached hereto as Exhibit D and made a part hereof, with such changes therein as the President of the Board shall approve or as may be approved by Supplemental Resolution.

(c) The sale of the Bonds shall be held at 11:00 A.M. local time, on Tuesday, May 21, 2013; provided, however, that the President is hereby authorized to change the time of the sale or to postpone and reschedule the date of sale in accordance with the Notice of Sale, upon the recommendations of the County’s financial advisor and bond counsel. The Bonds shall be sold upon the terms and conditions set forth in the official Notice of Sale.

(d) Notwithstanding the foregoing, the aggregate principal amount of the Bonds, the maturity schedule for the Bonds and the adjustment and bidding parameters for the Bonds set forth in Exhibit C and Exhibit D may be adjusted if deemed appropriate by the Director of Finance, upon the advice of the Financial Advisor and bond counsel employed by the County, so long as the maximum limitations on the aggregate principal amount of the Bonds set forth in this Resolution are not exceeded.

SECTION 10. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That promptly after the sale of the Bonds, the interest rate or rates payable thereon, the aggregate principal amount of the Bonds to be issued, the maturity schedule for the Bonds and the maturities of the Prior Bonds, if any, to be refunded shall be fixed by a Supplemental Resolution of the Board according to the terms and conditions of the sale, and the Bonds shall thereupon be suitably prepared and delivered to the Bond Registrar for completion, authentication and delivery to DTC for the account of the successful bidder therefor as

provided in the Notice of Sale. Any such Supplemental Resolution shall be adopted by the Board and shall be effective on the day of the sale of the Bonds and shall further provide for the following: (a) acceptance by the County of a bid received for the purchase of the Bonds pursuant to the terms and conditions of the Notice of Sale; (b) ratification of the Preliminary Official Statement of the County prepared and distributed in connection with the issuance and sale of the Bonds; (c) providing for changes, if any, to the forms of the Bonds and the Continuing Disclosure Agreement; (d) approval of the Official Statement of the County prepared in connection with the issuance and sale of the Bonds; (e) authorization of the execution, issuance and distribution of the Official Statement; and (f) such other matters as the Board shall deem necessary or advisable to consummate the transactions contemplated by this Resolution.

SECTION 11. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That Manufacturers and Traders Trust Company, Buffalo, New York, is hereby designated and appointed as the Bond Registrar and Paying Agent for the Bonds (the "Bond Registrar"). The Bond Registrar shall maintain books of the County for the registration and transfer of the Bonds. The President of the Board is hereby authorized and directed to execute and deliver an agreement with the Paying Agent and Registrar (the "Paying Agent Agreement"), in such form and containing such provisions as the President of the Board deems necessary and appropriate (as evidenced by his execution and delivery of such Paying Agent Agreement). The President of the Board, the Director of Finance and their designees are each authorized to take all actions on behalf of the County pursuant to the Paying Agent Agreement. The County may from time to time, either prior to or following the issuance of the Bonds, designate and appoint one or more alternate or substitute bond registrars, paying agents, co-paying agents or authenticating agents for the Bonds, and any such alternate or substitute shall be deemed to be the Bond Registrar or an alternate Bond Registrar for all purposes specified in the resolution appointing such substitute or alternate. Any such designation and appointment shall be made by the Board by resolution; and the exercise of such power or appointment, no matter how often, shall not be an exhaustion thereof.

SECTION 12. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That for the purpose of paying interest on the Bonds and also for the purpose of paying the principal of the Bonds as and when they respectively mature and are payable, there is hereby assessed and levied and there shall hereafter be assessed, levied and collected in each year, so long as any of the Bonds are outstanding and unpaid, an ad valorem tax on all property subject to taxation within Calvert County sufficient in rate and amount (together with other moneys available therefor) to pay the interest on all of the Bonds then issued and outstanding as the same becomes due and payable and to pay the principal of the Bonds as the same shall respectively mature, and the full faith and credit and the unlimited taxing power of the County are hereby irrevocably pledged to the prompt payment of the principal of and interest on the Bonds as and when the same respectively mature.

SECTION 13. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the County covenants and agrees with the registered owners from time to time of the Bonds, as follows:

(a) The County hereby covenants that it will take, or refrain from taking, any and all actions necessary to comply with the applicable provisions of Section 103 and Sections 141 through 150, inclusive, of the Internal Revenue Code of 1986, as amended (the "Code") and the Income Tax Regulations thereunder, in order to preserve the status of the interest on the Bonds as excluded from gross income for Federal income tax purposes.

(b) Without limiting the generality of the foregoing covenant, (i) the County will not use or permit the use of any of the proceeds of the Bonds or any of the funds of the County in such manner as would cause the interest on the Bonds to be included in gross income for Federal income tax purposes, (ii) the County will regulate the investment of the proceeds of the Bonds so as not to cause any of the Bonds to be an "arbitrage bond" within the meaning of Section 148 of the Code and the Income Tax Regulations thereunder, (iii) the County will, if and to the extent necessary, make periodic determinations of the rebate amount and timely pay any rebate amount, or installment thereof, to the United States of America, (iv) the County will prepare and timely file Internal Revenue Service Form 8038-G, Information Return for Tax-Exempt Governmental Obligations, and (v) the President of the Board and/or the Director of Finance are hereby authorized and directed to prepare or cause to be prepared and to execute any certificate or other document which may be required in order to assure compliance with the applicable provisions of Section 103 and Sections 141 through 150, inclusive, of the Code, and the Income Tax Regulations thereunder.

SECTION 14. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That in order to enable the bidders for the Bonds to comply with the requirements of paragraph (b)(5) of Securities and Exchange Commission Rule 15c2-12 ("Rule 15c2-12"), the County shall execute and deliver, on or before the date of issuance and delivery of the Bonds, a Continuing Disclosure Agreement in substantially the form attached hereto as Exhibit E, with such changes therein as the President of the Board may approve, and the terms and conditions of such Continuing Disclosure Agreement are incorporated by reference herein and made a part hereof. Certain of the events listed in Section 4(a) of such Continuing Disclosure Agreement have been included for compliance with Rule 15c2-12 but are not relevant for the Bonds, specifically those events relating to debt service reserves, credit enhancements and liquidity providers, and property or other collateral.

SECTION 15. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That (a) conditional only upon the delivery of and payment for the Bonds, the County hereby specifically and irrevocably elects to redeem the Prior Bonds, in the amounts, on the dates and at the redemption prices set forth in Exhibit F. The Escrow Deposit Agent shall cause notices of redemption substantially in the forms set forth in the Escrow Deposit Agreement to be published at the times and in the publications, if any, set forth in the applicable series of the Prior Bonds and to be mailed by first-class mail, postage prepaid, to all registered owners of the applicable Prior Bonds being redeemed at their addresses as they appear on the registration books provided for the Prior Bonds. The Escrow Agent shall also cause each such notice to be filed with the MSRB at the time such notice is mailed to the registered owners of the Prior Bonds. Notwithstanding the foregoing, the irrevocable election contained in this Section shall only be effective with respect to the maturities of the Prior Bonds, if any, identified in the Supplemental Resolution referred to in this Resolution and the notices of redemption given pursuant to this Section shall contain such omissions and variations as are authorized by such Supplemental Resolution.

(b) Within 10 business days after the delivery of and payment for the Bonds, the Escrow Deposit Agent shall cause notices of refunding, substantially in the forms set forth in the Escrow Deposit Agreement: (A) to be published at the times and in the publications, if any, set forth in the Prior Bonds for redemption notices and to be mailed by first-class mail, postage prepaid, to all registered owners of the Prior Bonds being redeemed at their addresses as they appear on the registration books provided for the Prior Bonds; and (B) to be filed with the MSRB. Such notices of refunding shall contain such omissions and variations as are authorized by the Supplemental Resolution referred to in this Resolution.

(c) In connection with the Escrow Deposit Agreement, the Director of Finance, or his designee, is hereby authorized to execute and file on behalf of the County a subscription for United States Treasury Obligations - State and Local Government Series, and any amendment thereto, and to take any other action or to execute any further instrument on behalf of the County necessary to purchase such obligations or other Government Obligations necessary to effect the refunding of the Prior Bonds, and any such action taken prior to the date of this Resolution is hereby ratified and approved.

(d) Prior to the delivery of the Bonds, the County shall have received a certificate of a firm of independent certified public accountants, nationally recognized in the field of refunding of tax-exempt obligations, verifying that the maturing principal amounts of the obligations held in the fund created under the Escrow Deposit Agreement and interest earned thereon, together with any other amounts provided by the County, will be sufficient to pay all principal of and interest accruing on the Prior Bonds prior to their respective dates of redemption and to redeem at the earliest practicable date, and to pay the redemption price and accrued interest on the Prior Bonds on such redemption dates.

SECTION 16. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the provisions of this Resolution are severable, and if any provision, sentence, clause, section or part hereof is held to be illegal, invalid, or unconstitutional or inapplicable to any person or circumstance, such illegality, invalidity or unconstitutionality, or inapplicability shall not affect or impair any of the remaining provisions, sentences, clauses, sections, or parts of this Resolution or their application to other persons or circumstances. It is hereby declared to be the legislative intent that this Resolution would have been passed if such illegal, invalid or unconstitutional provision, sentence, clause, section or part had not been included herein, and if the person or circumstances to which this Resolution or any part hereof are inapplicable had been specifically exempted herefrom.

SECTION 17. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That the provisions of this Resolution shall constitute a contract between the County and the purchasers of the Bonds so long as the Bonds or any portion thereof hereby authorized remains unpaid.

SECTION 18. AND BE IT FURTHER RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF CALVERT COUNTY, That this Resolution shall take effect immediately.

The Bonds are issued pursuant to the authority of Chapter 597 of the Laws of Maryland of 2007, Chapter 381 of the Laws of Maryland of 2009, Chapter 135 of the Laws of Maryland of 2010, Chapter 150 of the Laws of Maryland of 2011, and Article 31, Section 24 of the Annotated Code of Maryland (2010 Replacement Volume) (collectively, the “Enabling Acts”) and in accordance with Resolution No. __-13, as supplemented by Resolution No. __-13 (collectively, the “Resolution”), each adopted by the Board of County Commissioners of Calvert County (the “Board”).

The proceeds of the Bonds will be applied (a) to finance all or a portion of the costs associated with the acquisition, alternation, construction, reconstruction, enlargement, equipping, expansion, extension, improvement, rehabilitation, renovation, upgrading, repair and development of: (1) Calvert High School, (2) the Calvert Marine Museum, (3) the East Prince Frederick well and water tower, (4) the Paris Oaks pump station, (5) the Solomons wastewater treatment plant upgrade, (6) the Solomons force main upgrade, (7) the Stafford waterline extension, (8) the Prince Frederick loop road, (9) Skipjack Road, and (10) the Chesapeake Hills Golf Course irrigation system (collectively, the “Projects”), (b) to refund certain outstanding County general obligation bonds and (c) to pay costs, fees and expenses, including advertising, printing, financial advisory and legal fees, incurred in the issuance and sale of the Bonds.

The Bonds shall be issued as fully registered bonds without coupons in denominations of \$5,000 or any integral multiples thereof and shall mature in installments as provided in the Resolution.

This bond shall be registered on the books of the County to be kept for that purpose by the Bond Registrar at its designated office. This bond shall be transferable only upon such books at such office the registered owner or by its duly authorized officer or attorney, but this bond will not be transferred unless The Depository Trust Company (“DTC”) determines to discontinue providing its services as a securities depository or directs that the Bonds be registered in a different name, or unless DTC is removed as the depository for the Bonds. This bond, upon surrender hereof at the designated office of the Bond Registrar with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner hereof or his duly authorized attorney, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of Bonds of authorized denominations and of the same form and tenor of this bond. For every such exchange or transfer of Bonds, the County or the Bond Registrar shall make a charge for any tax or other governmental charge required to be paid with respect to such exchange or transfer. Such charge shall be paid by the registered owner requesting such exchange or transfer as a condition precedent to the exercise of such privilege. The Bond Registrar shall not be obligated to make any such exchange or transfer of Bonds after the fifteenth day of the month next preceding an interest payment date on the Bonds.

The County and the Bond Registrar may deem and treat the person in whose name this bond is registered as the absolute owner hereof for all purposes; and neither the County nor the Bond Registrar shall be affected by any notice to the contrary.

The Bonds maturing on or before April 1, 2023 are not subject to redemption prior to their maturities. The Bonds maturing on or after April 1, 2024, shall be subject to redemption prior to their respective maturities, at the option of the County, at any time on or after April 1, 2023, either as a whole or in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption at the rate or rates stated in the Bonds to be redeemed.

If less than all of the outstanding Bonds shall be called for redemption, the County shall choose the maturities of the Bonds to be redeemed and the principal amount of each such maturity to be redeemed, in its sole discretion. If less than all of the Bonds of any one maturity shall be called for redemption, then the particular Bonds of such maturity to be redeemed shall be chosen by lot by the Bond Registrar in such manner as, in its discretion, it shall determine. Each \$5,000 portion of a Bond shall be treated as a separate

Bond in the selection by lot of Bonds to be redeemed.

Notice of call for redemption shall be delivered to DTC not less than 30 days prior to the date fixed for redemption (the "Redemption Date") by a secure means as prescribed in the Resolution. If the book-entry system is discontinued for the Bonds, the County shall give a redemption notice by letter mailed first class, postage prepaid, to the registered owners of the Bonds to be redeemed at their last addresses appearing on the registration books maintained by the Bond Registrar not less than 30 days prior to the Redemption Date. Failure to deliver or mail any such notice with respect to a particular Bond or any defect in such notice, or in the delivery or mailing thereof, shall not affect the validity of the redemption proceedings. On the date designated for redemption, moneys for the payment of the redemption price plus accrued interest being held by the Bond Registrar, and if all other conditions to such redemption are met, the Bonds so called for redemption shall become due and payable at the redemption price provided for redemption of such Bonds on such date, interest on such Bonds so called for redemption shall cease to accrue, and the registered owners of such Bonds so called for redemption shall have no rights in respect thereto except to receive payment from such moneys held by the Bond Registrar of the redemption price thereof, plus accrued interest thereon to the Redemption Date. If a portion of any bond shall be called for redemption, a new bond in principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

The County hereby covenants to assess, levy and collect in each year, so long as any of the Bonds are outstanding and unpaid, an ad valorem tax on all property subject to taxation within Calvert County, Maryland, sufficient in rate and amount, together with other moneys available therefor, to pay the principal of and the interest on this bond; and the full faith and credit of the County are hereby irrevocably pledged to the prompt payment of the principal of and interest on this bond.

So long as all of the Bonds shall be maintained in Book-Entry Form with DTC or another depository in accordance with the Resolutions: (1) in the event that fewer than all Bonds of any one maturity shall be called for redemption, the depository, and not the Bond Registrar, will select the particular accounts from which Bonds or portions thereof will be redeemed in accordance with its standard procedures for redemption of obligations such as the Bonds; (2) in the event that part, but not all, of this bond shall be called for redemption, the holder of this bond may elect not to surrender this Bond in exchange for a new bond in accordance with the provisions hereof and in such event shall make a notation indicating the principal amount of such redemption and the date thereof on the Payment Grid attached hereto; and (3) payments of principal or redemption price of and interest on this bond shall be payable to the depository or its assigns in accordance with the provisions of the Resolutions. For all purposes, the principal amount of this bond outstanding at any time shall be equal to the lesser of (A) the principal sum shown on the face hereof and (B) such principal sum reduced by the principal amount of any partial redemption of this bond following which the holder of this bond has elected not to surrender this bond in accordance with the provisions hereof. The failure of the holder hereof to note the principal amount of any partial redemption on the Payment Grid attached hereto, or any inaccuracy therein, shall not affect the payment obligation of the County hereunder. **THEREFORE, IT CANNOT BE DETERMINED FROM THE FACE OF THIS BOND WHETHER A PART OF THE PRINCIPAL OF THIS BOND HAS BEEN PAID.**

It is hereby certified and recited that each and every act, condition and thing required to exist, to be done, to have happened and to be performed, precedent to and in the issuance of this bond, does exist, has been done, has happened and has been performed in full and strict compliance with the Constitution and laws of the State of Maryland, the Enabling Acts and the Resolution, and that the issue of bonds, of which this is one, together with all other indebtedness of the County, is within every debt and other limit prescribed by the Constitution and laws of the State of Maryland.

This bond shall not be valid or become obligatory for any purpose until this bond shall have been authenticated by the execution by the Bond Registrar, or its successor as Bond Registrar, of the Certificate of Authentication inscribed hereon.

No covenant or agreement contained in this bond shall be deemed to be a covenant or agreement of any officer, agent or employee of the County in his or her individual capacity, and neither the members of the Board nor any official executing this bond shall be liable personally on this bond or be subject to any personal liability or accountability by reason of the issuance of this bond.

IN WITNESS WHEREOF, County Commissioners of Calvert County has caused this bond to be signed by its President of the Board of County Commissioners of Calvert County by his manual or facsimile signature and countersigned by the Treasurer of the County by her manual or facsimile signature, and has caused a facsimile of the corporate seal of the County to be imprinted hereon and attested by the manual or facsimile signature of its Clerk to the Board of County Commissioners of Calvert County, all as of the Dated Date set forth above.

The aggregate principal amount and the principal amount of each maturity of the Bonds are subject to adjustment by the County, both before and after the receipt of bids for their purchase. The dollar amount bid for principal and any amount bid for premium by the successful bidder will be adjusted proportionately to reflect any reduction or increase in the aggregate principal amount of the Bonds, but the interest rates specified by the successful bidder for all maturities will not change. Procedures for announcing such adjustments and limitations on the amounts of such adjustments after the sale are set forth in the official Notice of Sale and the successful bidder may not withdraw its bid as a result of any changes made within the limits set forth therein.

The Bonds maturing on or before April 1, 2023 are not subject to redemption prior to their maturities. The Bonds maturing on or after April 1, 2024, shall be subject to redemption prior to their respective maturities, at the option of the County, at any time on or after April 1, 2023, either as a whole or in part, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption at the rate or rates stated in the Bonds to be redeemed.

* Preliminary, subject to adjustment as provided herein.

The issuance of the Bonds is authorized by Chapter 597 of the Laws of Maryland of 2007, Chapter 381 of the Laws of Maryland of 2009, Chapter 135 of the Laws of Maryland of 2010, Chapter 150 of the Laws of Maryland of 2011, and Article 31, Section 24 of the Annotated Code of Maryland (2010 Replacement Volume). The proceeds of the Bonds will be applied (a) to finance all or a portion of the costs associated with the acquisition, alteration, construction, reconstruction, enlargement, equipping, expansion, extension, improvement, rehabilitation, renovation, upgrading, repair and development of (1) Calvert High School, (2) the Calvert Marine Museum, (3) the East Prince Frederick well and water tower, (4) the Paris Oaks pump station, (5) the Solomons wastewater treatment plant upgrade, (6) the Solomons force main upgrade, (7) the Stafford waterline extension, (8) the Prince Frederick loop road, (9) Skipjack Road, and (10) the Chesapeake Hills Golf Course irrigation system, (b) to refund certain outstanding general obligation bonds of the County, and (c) to pay all costs, fees and expenses, including advertising, printing, financial advisory and legal fees, incurred in the issuance and sale of the Bonds.

Bidders must bid at least 100% of par, but no more than 115% of par, for the Bonds and must specify the rate or rates of interest to be paid thereon in multiples of 1/8 or 1/20 of 1%. Bidders may specify more than one rate of interest, but not more than one interest rate for any maturity, nor a zero rate. The difference between the maximum and minimum interest rates so specified may not be greater than 3.0% and no interest rate that exceeds 5.00% may be specified. Split or supplemental interest rates may not be specified. The Bonds will be awarded to the bidder offering the lowest true interest cost to the County, such interest cost to be determined in accordance with the true interest cost (TIC) method by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and to the price bid.

The County reserves the right to postpone, from time to time, the date established for the receipt of bids or to change the bidding constraints on the Bonds. In addition, the County reserves the right, on the date established for the receipt of bids, to reject all bids and establish a subsequent alternative sale date. The official Notice of Sale contains specific provisions regarding the announcement of any such postponement and alternative sale date.

The Bonds will be issued in fully registered book-entry form. The Depository Trust Company, New York, New York, will act as securities depository for the Bonds.

The Bonds are general obligation bonds of the County, and will constitute an irrevocable pledge of its full faith and credit and unlimited taxing power. The issuance of such Bonds will be subject to approval of legality by McGuireWoods LLP, Baltimore, Maryland, Bond Counsel, and their opinion will be delivered, without charge, to the successful bidder for the Bonds.

Each prospective bidder shall be solely responsible to submit its bids via **PARITY®** as described above. Each prospective bidder shall be solely responsible to make necessary arrangements to access **PARITY®** for the purpose of submitting its bid in a timely manner and in compliance with the requirements of this Notice of Sale. Neither the County nor **PARITY®** shall have any duty or obligation to provide or assure access to **PARITY®** to any prospective bidder, and neither the County nor **PARITY®** shall be responsible for proper operation of, or have any liability for delays or interruptions of, or any damages caused by, **PARITY®**. The County is using **PARITY®** as a communication mechanism, and not as the County's agent, to conduct the electronic bidding for the Bonds. The County is not bound by any advice and determination of **PARITY®** to the effect that any particular bid complies with the terms of this Notice of Sale and in particular the bid parameters set forth herein. All costs and expenses incurred by prospective bidders in connection with their submissions of bids via **PARITY®** are the sole responsibility of the bidders; and the County is not responsible, directly or indirectly, for any of such costs or expenses. Electronic bids must be submitted for the purchase of the Bonds (all or none) via **PARITY®**. Bids will be communicated electronically to the County at 11:00 a.m. local time, on May 21, 2013. Prior to that time, a prospective bidder may (1) submit the proposed terms of its bid via **PARITY®**, (2) modify the proposed terms of its bid, in which event the proposed terms as last modified will (unless the bid is withdrawn as described herein) constitute its bid for the Bonds, or (3) withdraw its proposed bid. Once the bids are communicated electronically via **PARITY®** to the County, each bid will constitute an irrevocable offer to purchase the Bonds on the terms therein provided. *For purposes of the electronic bidding process and the time for submitting sealed bids, the time as maintained on **PARITY®** shall constitute the official time.*

Bidding Constraints. Each bidder shall submit one bid via **PARITY®** on an "all-or-none" basis. Each bid must specify the rate or rates of interest to be paid on the Bonds, in multiples of one-eighth or one-twentieth of one percent (1/8 or 1/20 of 1%). Bidders may specify more than one rate of interest to be borne by the Bonds, but all Bonds maturing on the same date must bear interest at the same rate. Bidders may not specify (1) any interest rate for any Bonds which exceeds the interest rate stated in such bid for any other Bonds by more than 3.0%, (2) any interest rate that exceeds 5.00%, or (3) a zero rate of interest. Bidders are requested to specify the true interest cost (computed in accordance with the terms of this Notice of Sale) in their bids for the Bonds. A bid for the purchase of the Bonds at a price of less than 100% of par or more than 115% of par, or a bid for the Bonds that specifies split or supplemental interest rates, will not be considered. The County will also not consider and will reject any bid for the purchase of less than all of the Bonds. All bids must be unconditional.

By submitting a bid for the Bonds, the bidder agrees, if it is the successful bidder for the Bonds, (1) to provide full and complete pricing information with respect to the Bonds to the County in a timely manner so that the County may fulfill its obligation relating to the delivery of the Official Statement to the purchaser of the Bonds within seven business days following the award, including, without limitation, the offering price(s), interest rate(s), selling compensation, delivery dates and other similar information; (2) to comply with the requirements of SEC Rule 15c2-12 ("Rule 15c2-12"), applicable federal and state securities laws and the applicable rules of the Municipal Securities Rulemaking Board (the "MSRB") in connection with the offer and sale of the Bonds; (3) to furnish to the County before the delivery of the Bonds such information as

shall be necessary to enable the County to determine the "issue price" of the Bonds in accordance with the Internal Revenue Code of 1986, as amended, as described below; and (4) within three business days after the final Official Statement becomes available, to cause copies thereof to be filed with the MSRB.

Good Faith Deposit. A good faith deposit (the "Deposit") is required in connection with the sale and bid for the Bonds. The Deposit may be provided in the form of (i) a federal funds wire transfer in the amount of \$500,000 to be submitted to the County by the successful bidder not later than 3:00 p.m. local time (the "Deposit Deadline") on the date of sale or (ii) a financial surety bond (a "Surety Bond") from an insurance company acceptable to the County and licensed to issue such a bond in the State of Maryland in the amount of \$500,000, each option as described in more detail below. The Deposit of the successful bidder will be retained by the County to be applied in partial payment for the Bonds and no interest will be allowed or paid upon the amount thereof, but in the event the successful bidder shall fail to comply with the terms of its bid, the proceeds thereof will be retained as and for full liquidated damages.

If a federal funds wire transfer is used, the County shall distribute wiring instructions for the Deposit to the successful bidder upon verification of the bids submitted by the bidders and prior to the Deposit Deadline. If the Deposit is not received by the Deposit Deadline, the award of the sale of the Bonds to the successful bidder may be cancelled by the County in its discretion without any financial liability of the County to the successful bidder or any limitation whatsoever on the County's right to sell the Bonds to a different purchaser upon such terms and conditions as the County shall deem appropriate.

If a Surety Bond is used, it must be submitted to the County prior to 5:00 p.m. local time on the day prior to the date for receipt of bids, and must be in form and substance acceptable to the County, including (without limitation) identifying the bidder whose Deposit is guaranteed by such Surety Bond. If the Bonds are awarded to a bidder utilizing a Surety Bond, then such successful bidder is required to submit its Deposit to the County not later than 12:00 p.m. local time on the next business day following the award in accordance with wire instructions delivered by the County to such bidder. If such Deposit is not received by that time, the Surety Bond may be drawn by the County to satisfy the Deposit requirement.

Award of Bonds. The County will not consider and will reject any bid for the purchase of less than all of the Bonds. THE RIGHT IS RESERVED TO REJECT ANY AND ALL BIDS AND TO WAIVE ANY IRREGULARITY OR NON-CONFORMITY IN ANY BID. Bids will be opened promptly after 11:00 o'clock a.m. local time (as determined in accordance with the time as maintained on **PARITY®**) on May 21, 2013. The award, if made, will be made as promptly as possible after the bids are opened to the bidder offering the lowest interest rate to the County. The lowest interest rate shall be determined in accordance with the true interest cost (TIC) method by doubling the semiannual interest rate (compounded semiannually) necessary to discount the debt service payments from the payment dates to the date of the Bonds and to the price bid. The TIC shall be as determined by the financial advisor to the County based on the terms of this Notice of Sale and all amendments thereto and on each bid as submitted. If two or more bidders offer to purchase the Bonds at the same lowest true interest cost, then such award will be made to the bidder offering the highest premium. If two or more bidders offer to purchase the Bonds at the same lowest true interest cost, with the same premium, the Bonds will be awarded by lot to one of such bidders. The judgment of the County shall be final and binding upon all bidders with respect to the form and adequacy of any bid received and as to its conformity to the terms of this Notice of Sale.

Postponement of Sale; Change in Bidding Constraints. The County reserves the right to postpone, from time to time, the date or time established for the receipt of the bids or to change the bidding constraints on the Bonds. Any such postponement or change in bidding constraints will be announced on TM3 News Service by notice given not later than 1:00 p.m. local time, on the last business day prior to any announced date for receipt of bids. If any date fixed for the receipt of bids and the sale of the Bonds is postponed, any alternative sale date will be announced on TM3 News Service at least 48 hours prior to such alternative sale date. In addition, the County reserves the right, on the date established for the receipt of bids, to reject all bids

and establish a subsequent alternative sale date. On any such alternative sale date, any bidder may submit an electronic bid via **PARITY®** for the purchase of the Bonds in conformity in all respects with the provisions of this Notice of Sale except for the date of sale and except for the changes announced on TM3 News Service at or before the time the sale date and time are announced.

Bond Insurance. In the event that all or any part of the Bonds are initially reoffered with bond insurance secured by the successful bidder, the successful bidder shall notify promptly the Director of Finance and Budget of the County at the time of sale of such event and shall provide him with any information he reasonably requests regarding such bond insurance, including the amounts paid for such insurance. The County will, at the request and expense of the successful bidder, include customary language in the Official Statement and the form of the Bonds regarding the insurance policy upon receipt of such opinions or certificates as the County reasonably may request regarding the accuracy of any information to be included in the Official Statement and the binding nature of the obligations contained in the insurance policy with respect to the Bonds. The County shall have no obligation to provide the successful bidder or the issuer of the bond insurance policy with any other documents or opinions relating to the Bonds. Neither the failure of the Bonds to be insured by such bond insurance policy nor any change in the ratings provided by any rating agency with respect to the issuer of such bond insurance policy occurring between the time of the award of the Bonds and the time the Bonds are delivered shall relieve the successful bidder of its contractual obligation to purchase the Bonds.

Legal Opinion. The issuance of the Bonds will be subject to delivery of the approving opinion of McGuireWoods LLP, Baltimore, Maryland, and copies of their opinion shall be substantially in the form set forth in the Preliminary Official Statement (hereinafter defined). The opinion will be delivered, without charge, to the successful bidder for the Bonds.

CUSIP Numbers. It is anticipated that the CUSIP identification numbers will be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder to accept delivery of and pay for the Bonds in accordance with the terms of this Notice of Sale.

Delivery of Bonds. The Bonds will be delivered on June 5, 2013, or as soon as practicable thereafter, at the expense of the County, for the account of the successful bidder, through the facilities of DTC in New York, New York, upon payment of the amount of the successful bid (including any premium), less the deposit theretofore made. Payment for the Bonds shall be made in federal funds. The Bonds will be issued by means of book-entry system with no physical distribution of bond certificates made to the public. The successful bidder for the Bonds, as a condition to delivery of the Bonds of such issue, shall be required to deposit the bond certificates with DTC, registered in the name of Cede & Co., its partnership nominee.

As a condition to the award of the Bonds, the successful bidder shall be required to communicate to the County the initial offering prices at which a bona fide offering of Bonds has been made to the public, which prices are to be shown on the cover of the Official Statement (the "Initial Offering Prices"). Furthermore, as a condition to the delivery of the Bonds, the successful bidder shall be required to furnish to the County a written certificate acceptable to the County's bond counsel to the effect that the successful bidder has made a bona fide public offering of the Bonds at the Initial Offering Prices and that a substantial portion of each maturity of the Bonds has been sold to the public (excluding bond houses, brokers and other intermediaries) at the respective Initial Offering Prices. Such certifications shall be made based on actual facts known to the successful bidder as of the sale date. For purposes of the successful bidder's certificate, a substantial portion of the Bonds is at least 10% in par amount of each maturity of the Bonds. If the successful bidder cannot deliver the certificate as described above, the County's bond counsel will be required to evaluate the facts and circumstances of the offering and sale of the Bonds to confirm compliance with statutory requirements of avoiding the establishment of an artificial price for the Bonds.

Closing Documents. The Bonds will be accompanied by the customary closing documents, including a

no-litigation certificate, effective as of the date of delivery, stating that there is no litigation pending against the County affecting the validity of the Bonds. It shall be a condition to the obligation of the successful bidder to accept delivery of and pay for the Bonds that, simultaneously with or before delivery and payment for the Bonds, such successful bidder shall be furnished a certificate or certificates of the President of the Board and the Director of Finance and Budget of the County to the effect that, to the best of their knowledge and belief, the Official Statement (hereinafter defined) (and any amendment or supplement thereto) (except for information relating to DTC and its book-entry system and any information furnished by the successful bidder, as to which no view will be expressed) as of the date of sale and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading and that between the date of sale and the date of delivery of the Bonds there has been no material adverse change in the financial position or revenues of the County, except as reflected or contemplated in the Official Statement (and any amendment or supplement thereto).

Preliminary Official Statement. The Preliminary Official Statement of the County concerning the Bonds (the "Preliminary Official Statement") has been "deemed final" by the County as of its date for purposes of Rule 15c2-12 but is subject to revision, amendment and completion in the final Official Statement.

Official Statement. As soon as practicable after the award of the Bonds to the successful bidder therefor on the day of sale, the County will authorize the final Official Statement for the Bonds (the "Official Statement"). By submitting its bid for the Bonds, the successful bidder agrees to provide the County with pricing information and such other information as the County may require in order that the County may provide the successful bidder with a final Official Statement in compliance with Rule 15c2-12. Whether or not any such information is included in the Official Statement (and any amendment or supplement thereto), such successful bidder shall be responsible to the County and its officials in all respects for the accuracy, fairness and completeness of such information, and for all decisions made with respect to the use or omission of such information in any re-offering of the Bonds, including the presentation or exclusion of any such information in any documents, including the Official Statement. Within seven (7) business days after the award of the Bonds to the successful bidder, the County will deliver to the successful bidder an Official Statement, which is expected to be substantially in the form of the Preliminary Official Statement. The successful bidder will also be furnished, without cost, with up to 150 copies of the Official Statement and any amendments or supplements thereto. The successful bidder may obtain additional copies at the successful bidder's own expense.

The County will undertake to provide the successful bidder with further additional information to be included in the Official Statement, when in the opinion of the County or of Bond Counsel, such additional information constitutes a material change to the Official Statement. The County will take such steps as are necessary to arrange for amending and supplementing the Official Statement in connection with the disclosure of such additional information; provided, however, that the County shall have no obligation to provide such additional information after the date which is 25 days after the "end of the underwriting period," as such term is defined in Rule 15c2-12.

Continuing Disclosure Agreement. In order to assist bidders in complying with paragraph (b)(5) of Rule 15c2-12, the County will execute and deliver a continuing disclosure agreement on or before the date of issuance of the Bonds pursuant to which the County will undertake to provide certain information annually and notices of certain events. A description of this agreement is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

The Preliminary Official Statement of County Commissioners of Calvert County, Maryland, concerning the Bonds and copies of this Notice of Sale may be obtained from Timothy Hayden, Director of Finance and Budget, Courthouse, 175 Main Street, Prince Frederick, Maryland 20678, or from the County's Financial Advisor, Davenport & Company LLC, 8600 LaSalle Road, Suite 324, Towson, Maryland 21286 (410-296-9426).
