## **APPLICATION PROCESS**

Applications for mobile food service facilities in the areas designated shall be submitted in writing to the Calvert County Parks and Recreation Department (Department) on the Mobile Food Service Facility Application and accompanied by all required documentation and rental fees. Applications for mobile food service facilities will be reviewed on a first-come, first-served basis for specific locations designated for such purpose.

If approved, the Applicant will be required to execute a Non-Exclusive Mobile Food Service Facility Agreement with the County Commissioners of Calvert County, Maryland. All requests pursuant to this process shall be effective for the dates designated on a daily, weekly or monthly basis, but under no circumstance will a mobile food service facility be permitted for the same designated location for more than sixty (60) available consecutive days. All requests issued pursuant to this part shall be effective upon receipt by the County of the fully executed Non-Exclusive Mobile Food Service Facility Agreement and shall expire one (1) year from the effective date thereof unless terminated prior thereto pursuant to the terms and conditions of the Agreement. Applicants may request a shorter permit duration. Nothing in these guidelines prohibits the use of properly licensed mobile food service facilities on private property or non-County owned governmental property.

Applications must be submitted at least two weeks in advance of their first requested date(s) for usage. The Department shall coordinate review of the application with appropriate County authorities as necessary.

## **SUMMARY OF REQUIREMENTS**

All fees and documentation will be due at the time of application submittal. The Applicant is responsible for securing all required permits and licenses for vending in Calvert County, Maryland. Proof of required licenses and permits must be provided for application to be considered.
