RE: Water & Sewer Equivalent Dwelling Unit (EDU) Audit Update
Account: <Account Number>
Service Address: <Street Address>
<Business name if applicable>

Dear Customer,

Additional capital connection fees may have been included in your December 2022 correspondence from the Calvert County Department of Public Works, Water & Sewer Division (WSD). However, as of today, they no longer apply.

On Jan. 10, 2023, the Calvert County Board of County Commissioners acted to immediately pause billing of capital connection fees as a result of the recent Equivalent Dwelling Unit (EDU) audit. While you are not responsible for paying the additional capital connection fees, your regular quarterly bill must be paid in full.

We understand that WSD customers were surprised and distressed about the financial impact of these increased bills and substantial fees associated with water consumption. We ask for your patience as we work to address the situation as quickly as possible.

More information is available on the county website at www.calvertcountymd.gov/EDUaudit. Should you have any questions or require any additional information, please contact the Department of Public Works, Water & Sewerage Division billing office at 410-535-1600, ext. 2211 or EDU@calvertcountymd.gov.

Sincerely,
BOARD OF COUNTY COMMISSIONERS
CALVERT COUNTY, MARYLAND

Earl F. Hance, President

Mike Hart, Vice President
