WARWICK MANOR BEHAVIORAL HEALTH

WMBH's Mission is to provide high quality comprehensive chemical dependency (CD) and mental health (MH) treatment services with a public health approach of reducing morbidity and mortality risk factors.

WMBH provides these integrated services to residents of the State of Maryland, Washington D.C., and portions of Delaware and Virginia. These services include a continuum of treatment components that provide specialized care to meet the changing needs of our various consumer populations.

WMBH has established a position of ongoing leadership to meet the challenges of treating addiction and mental health today and fostering continuous improvement in the quality of addiction and mental health education.

All WMBH's integrated behavioral health programs are state licensed and nationally accredited by the "Commission on Accreditation of Rehabilitation Facilities" (CARF).

WMBH's Continuum of Care includes:

- Medically Monitored Inpatient Treatment
- Medically Monitored Detox
- Partial Hospitalization Program/Day Program
- Intensive Outpatient Program
- Outpatient Treatment
- Medication-Assisted Tx/ Suboxone Program
- Mental Health Treatment
- Psychiatric Evaluations
- Medication Management

Co-occurring Treatment provided on all outpatient and intensive outpatient levels of care, as needed.

Referrals

WMBH accepts referrals from community agencies, hospitals, other treatment programs, therapist, physicians and employee assistance programs.
